

ABOUT US

Welcome to VintnerNC.com, the on-line home of Vintner Wine Market (VWM) at The Arboretum Shopping Center in Charlotte.

VWM opened its doors 15 years ago and has become a favorite neighborhood gathering spot. VWM is an approachable shop & host to fundraisers, small private events, tap take-overs & wine dinners. We welcome customers to browse our shelves, select a beverage, order from our locally inspired menu, then sit back, sip, eat & enjoy!

The VWM staff is knowledgeable about our offerings as we personally hand select all our amazing items. You will find boutique & lesser known wines, craft beers as well as everyday products across all price points and categories.

Everything we do is also available to take away for your at home enjoyment. We proudly offer virtual wine tastings, shipping, and curbside pickup. Just shop our website or call us for assistance. We welcome you to join us live & virtually.

Cheers!
